- Available in Black or Silver

## Overview:

The PDT-RCK-DIN-190-B is a DIN Rail adapter bracket which facilitates standard DIN rail mounted equipment being installed in a standard 19" rack cabinet. This allows for DIN-Rail specific Power Supplies, Network Switches, Media Converters, and other types of equipment to be mounted in the central rack. Adjustable fixings allow for variable depths to be set, and the bracket can bear a load of up to 8kgs.
